*"Where students meet success"*

Dear Parents,

Thank you for contacting us regarding the ACT preparation course for your student. These courses have been designed to prepare the student for the upcoming national tests. Each week we focus on a specific subtest with discussion regarding areas for improvement and continued focus. The cost for the entire course is \$400.00, which includes all materials necessary for success.

The location is 319 Chatham Road, Springfield, IL 62704. The telephone number is 217-553-7779 . Our website is [www.nelsonresourcecenter.org](http://www.nelsonresourcecenter.org). Should you have any further questions, do not hesitate to contact us. Please remember, classes fill very quickly, as the class is very limited for better individual attention. Please return the bottom half of this form with a non-refundable \$200.00 deposit to ensure registration. The remaining fee will be due the first day of the class. We look forward to working with you and your student.

Sincerely,
